

Caroline

Chicago

Caroline
Caroline There's always people talkin'
Makes their world go 'round
Don't mean ya have to listen
Don't let them get you down Caroline
Caroline
Everything will be just fine
Caroline
We can work it out this time You know they're only jealous
They want what they can't have
They never will
Don't let it get ya crazy
'Cause life is just too short for that
And you know it ain't easy
But you know you've gotta let it go Caroline
Caroline
Everything will be just fine
Caroline
You can work it out this time Caroline
Everything will be just fine
Oh Caroline
My Caroline
Caroline
Ooh Whoa ooh Caroline
Caroline
(Repeat) Caroline
Caroline
We can work it out this time
Caroline
We can work it out this time You will find out about it just in time
Make yourself common and let it shine
(Repeat)
