

# Wanted Man

## Nick Nolan

Head down on a pillow of concrete  
I won't rest in peace either way  
And I won't be forgiven and I will never give in  
I'll give you something if you wanna believe  
    Won't ever belong  
    Just wanna be free  
    I'm a wanted man  
    Got blood on my hands  
You keep tellin' me to back down, won't do it  
    Livin' on the wrong side of a bullet  
    I'm a wanted man  
    Never stood a chance  
Renegade from the day that I knew it  
    Livin' on the wrong side of a bullet  
    Laid down in a garden of envy  
    Time is standin' still every day  
And I won't be forgiven and I will never give in  
I'll save you something but I can not be saved  
    Won't ever belong  
    Just wanna be free  
    I'm a wanted man  
    Got blood on my hands  
You keep tellin' me to back down, won't do it  
    Livin' on the wrong side of a bullet  
    I'm a wanted man  
    Never stood a chance  
Renegade from the day that I knew it  
    Livin' on the wrong side of a bullet  
    And if I get out alive  
    I won't be on my knees  
        Yeah, yeah  
    And if I get out alive  
        I'm a wanted man  
    Got blood on my hands  
You keep tellin' me to back down, won't do it  
    Livin' on the wrong side of a bullet  
        I'm a wanted man  
        Never stood a chance  
    Renegade from the day that I knew it

Livin' on the wrong side of a bullet
