

Rise

Gabrielle

I know that it's over
But I can't believe we're through
They say that time's a healer
And I'm better without you It's gonna take time I know
But I'll get over you Look at my life, look at my heart
I have seen them fall apart
Now I'm ready to rise again
Just look at my hopes, look at my dreams
I'm building bridges from these scenes
Now I'm ready to rise again Caught up in my thinking, yeah
Like a prisoner in my mind
You pose so many questions
But the truth was hard to find I better think twice I know
That I'll get over you Look at my life, look at my heart
I have seen them fall apart
Now I'm ready to rise again
Just look at my hopes, look at my dreams
I'm building bridges from these scenes
Now I'm ready to rise again Much time has passed between us
Do you still think of me at all?
My world of broken promises
Now you won't catch me when I fall Look at my life, look at my heart
I have seen them fall apart
Now I'm ready to rise again
Just look at my hopes, look at my dreams
I'm building bridges from these scenes
Now I'm ready to rise again Yes, I'm gonna rise
Gonna make it all right
I'm gonna be who I wanna be, yeah baby
Gonna make it all right
Gonna make it all right
