Swimming

Bob Hate

Swimming

Sunlight beating down on the road
Blacktop getting ready to erode
Sunglasses help my poor eyes close
And weâ€™re fighting, itâ€™s down to the bone

Sheâ€™s got a diamond ring
Heâ€™s got a brand new car
He gave her everything
going way too far

Swimming in the big river now

Canâ€™t get the water out of my mind
Feels like itâ€™s on the incline
Feels like itâ€™s going to arise
And weâ€™re boiling, above the tide

Swimming in the big river now

tell me, baby, tell me one and one is two
tell me, baby, so Iâ€™ll believe itâ€™s true

Sheâ€™s running, and she ainâ€™t ever coming back
The phone rings itâ€™s her again
Sheâ€™s got a diamond ring
Heâ€™s got a brand new car
Weâ€™ve never been this far

Sheâ€™s got a diamond ring
Heâ€™s got a brand new car
weâ€™ve never been this far

Swimming in the big river now
