Stronger Than The Storm

Vicky Beeching

You formed us from the dust
You breathed Your breath in us
We are the work of Your handsNow we breathe back to You
Love songs of gratitude
Adoring You with all we have'Cause we were created
To worship Your name
We were created
To bring You our praiseIf we don't worship You
We'll search for substitutes
To fill the void in our soulsWorshiping other things
Destroys our liberty
But as we praise You, we are free'Cause we were created
To worship Your name
We were created
To bring You our praiseSo we will worship
So we will praise
You our Creator
For all our daysThis is what we were made to do
(We were created for)
This is what we were made to do
(We were created for)
So we lift up our praise to YouWe were created
We were createdWe were created
To worship Your name
We were created
To bring You our praiseSo we will worship
So we will praise
You our Creator
For all our daysYou our Creator
For all our days
