

# Sexy M. F. (Extended)

## Prince

Yo man

What?

She came

Where?

There!

Oh! In a word or 2 - it's u I wanna do

No not cha body, yo mind u fool Come here baby, yeah

U sexy motherfucker

We're all alone in a villa on the Rivera

That's in France on the south side

In case u cared

Out of all yo friends I wanna be the closest

That's why I tell u things

So u'll be the mostest

When it comes 2 life, 2 be this man's wife

U got 2 be well educated on the subject of fights

I mean prevention of

In other words - its R.E.A.L meaning of this thing called love

Are u up on this?

If so, then u can get up off hug and a kiss Come here baby, yeah

U sexy motherfucker Come here baby, yeah

U sexy motherfucker

We need 2 talk about things

Tell me what cha do, tell me what cha eat

I might cook 4 u

See it really don't matter cuz it's all about me and u

Ain't no one else around

I'm even with the blindfold, gagged and bound

I don't mind

See this ain't about sex

It's all about love being in charge of this life

And the next

Why all the cosmic talk?

I just want u smarter than I'll ever be

When we take that walk Come here baby, yeah

U sexy motherfucker

Come here baby, yeah

U sexy motherfucker Horns stand please I like it, I like it U seem perplexed I haven't taken u yet

Can't u see I'm harder than a man can get

I got wet dreams comin' out of my ears  
I get hard if the wind blows your cologne near me  
But I can take it, cuz I want the whole nine
