

Hanging On (Marvol Remix)

[Ellie Goulding](#)

You know we can get away
Because I'm calling your name
Every day I feel this pain
But you just turn and walk away I just can't keep hanging on
to you and me
I just don't know what is wrong
with you and me Touch me and then turn away
And put your hands into the flame
Tell me if you feel this pain
'Cause I don't want to be a ball and chain, no I just can't keep hanging on, to you and me
I just don't know what is wrong, with you and me
I just can't keep hanging on, to you and me
With you and me
With you and me
