Crazy

Dream

La la la la la la
La la la la la la
Boy I know you're a bit unsure
So I wanna let you know that you got me
Baby I'm all yours, gotta have you around
I don't wanna do without you here if you still don't get the picture
I'm crazy 'bout you
(Crazy)
And I, I gotta have you
'Cuz I like the way you makin' me feel
(Boy I like the way)
Boy I'm for real
La la la la la la
I'm crazy 'bout you
(Make me feel)
And I, I gotta have you
(Gotta have you)
'Cuz I like the way you makin' me feel
Boy I'm for real
La la la la la la, can't wait to be alone with you
Heart is racin' when you look at me
Baby if I could I would wanna feel this way for good
You don't know just what you do to me, baby I got to be wit you
I'm crazy 'bout you
(I'm crazy)
And I, I gotta have you
'Cuz I like the way you make me feel
Boy I'm for real
(Boy you make me feel good)
La la la la la la, I'm crazy 'bout you
(Don't let go)
And I, I gotta have you
(You're my baby)
'Cuz I like the way you makin' me feel
(Boy I like the way you)
Boy I'm for real
I hope you really understand
(Me)
Can't make it hard for you to

(See)
That we
(Were meant to be together)
(So)
before I let you
(Go)
There's something I think you should
(Know)
That you, you got my
I'm young Marcus aka Harlem Knights
Good mornin' ma heard you had a long flight
You look so good and pretty as the sunshine
Girl yous a gold mine wifey and da whole nine
You captivated my whole mind first time I met you
And Lord knows I ain't got time to sweat you
But you look crazy in that new Mercedes
And baby I can't act like shit don't phase me
'Cuz I try to fight it, try to conceal and hide it
No matter what girl I can't deny it
I'm just a fool for your love, I'm cool out tha clubs
I just wanna move smooth like I'?m cruisin' on dubs
(Say what)
I'm a grown man ma I choose who I love
Choose who I hug, choose who I usually rub
For other chicks I don't usually budge
If you wanna know the reason why I choose you because
You got me crazy
I'm crazy 'bout you
(How you touch me baby)
And I, I gotta have you
'Cuz I like the way you makin'
(The way you make me crazy)
Me feel, boy I'm for real
La la la la la la
(Boy, I, like the way)
I'm crazy 'bout you
And I, I gotta have you
'Cuz I like the way you makin' me feel
Boy I'm for real
(Break it down come on)
La la la la la la
I'm crazy 'bout you
(I'?m crazy 'bout you baby)
And I, I gotta have you
'Cuz I like the way you makin' me feel

(You make me feel so good)
Boy I'm for real
La la la la la la
I'm crazy 'bout you
(Dream)
And I, I gotta have you
(2003)
'Cuz I like the way you makin' me feel
Boy I'm for real
(Bad boy baby)
I'm crazy bout you
And I, I gotta have you
'Cuz I like the way you makin' me feel
Boy I'm for real, boy I'm for real
Yea I like this one
