

# Crazy

## Dream

La la la la la la

La la la la la la

Boy I know you're a bit unsure

So I wanna let you know that you got me

Baby I'm all yours, gotta have you around

I don't wanna do without you here if you still don't get the picture

I'm crazy 'bout you

(Crazy)

And I, I gotta have you

'Cuz I like the way you makin' me feel

(Boy I like the way)

Boy I'm for real

La la la la la la

I'm crazy 'bout you

(Make me feel)

And I, I gotta have you

(Gotta have you)

'Cuz I like the way you makin' me feel

Boy I'm for real

La la la la la la, can't wait to be alone with you

Heart is racin' when you look at me

Baby if I could I would wanna feel this way for good

You don't know just what you do to me, baby I got to be wit you

I'm crazy 'bout you

(I'm crazy)

And I, I gotta have you

'Cuz I like the way you make me feel

Boy I'm for real

(Boy you make me feel good)

La la la la la la, I'm crazy 'bout you

(Don't let go)

And I, I gotta have you

(You're my baby)

'Cuz I like the way you makin' me feel

(Boy I like the way you)

Boy I'm for real

I hope you really understand

(Me)

Can't make it hard for you to

(See)  
That we  
(Were meant to be together)  
(So)  
before I let you  
(Go)  
There's something I think you should  
(Know)  
That you, you got my  
I'm young Marcus aka Harlem Knights  
Good mornin' ma heard you had a long flight  
You look so good and pretty as the sunshine  
Girl yous a gold mine wifey and da whole nine  
You captivated my whole mind first time I met you  
And Lord knows I ain't got time to sweat you  
But you look crazy in that new Mercedes  
And baby I can't act like shit don't phase me  
'Cuz I try to fight it, try to conceal and hide it  
No matter what girl I can't deny it  
I'm just a fool for your love, I'm cool out tha clubs  
I just wanna move smooth like I'm cruisin' on dubs  
(Say what)  
I'm a grown man ma I choose who I love  
Choose who I hug, choose who I usually rub  
For other chicks I don't usually budge  
If you wanna know the reason why I choose you because  
You got me crazy  
I'm crazy 'bout you  
(How you touch me baby)  
And I, I gotta have you  
'Cuz I like the way you makin'  
(The way you make me crazy)  
Me feel, boy I'm for real  
La la la la la la  
(Boy, I, like the way)  
I'm crazy 'bout you  
And I, I gotta have you  
'Cuz I like the way you makin' me feel  
Boy I'm for real  
(Break it down come on)  
La la la la la la  
I'm crazy 'bout you  
(I'm crazy 'bout you baby)  
And I, I gotta have you  
'Cuz I like the way you makin' me feel

(You make me feel so good)

Boy I'm for real

La la la la la

I'm crazy 'bout you

(Dream)

And I, I gotta have you

(2003)

'Cuz I like the way you makin' me feel

Boy I'm for real

(Bad boy baby)

I'm crazy bout you

And I, I gotta have you

'Cuz I like the way you makin' me feel

Boy I'm for real, boy I'm for real

Yea I like this one
