

# Heart Shaped Face

Angel Olsen

I've seen you changing  
I've seen you changing Was it me you were thinking of?  
All the time when you thought of me  
Was it me you were thinking of?  
All the time when you thought of me Or was it your mother?  
Or was it your shelter?  
Or was it another  
With a heart shaped face  
Got a heart shaped face  
Was it a feeling you thought I could dig up or erase? I've seen you changing  
I've seen you aging  
And I learned how to turn my head  
And I learned how to walk away  
And the truth never really lives  
In the story of words we say You never needed anyone to expose you to yourself  
And you never needed anyone to raise you hell out of your mind I never wanted to be someone who had to leave  
it all behind  
Even still there is no escape for what I face, I faced before  
Have whatever love you wanna have  
But I can't be here anymore There is nothing new  
Under the sun  
There is nothing new  
Under the sun Heartache ends  
Heartache ends  
Heartache ends  
And begins again  
And begins again  
And begins again  
Heartache ends  
Heartache ends  
Heartache ends  
And begins  
And begins  
Begins
