You

[Q-Tip](#)

Wait
At the end of it all its you
And at the end of it all its you
And at the end
It's you
At the end of it all its you
It's you
It's you
At the end of it all its you
It's you
It's you
At the end of it allLooking, for how I see her
When I finally realized couldn't believe it
I couldn't, even swallow
Had a lump in my throat, my stomach hollow
I had a notion that things were fishy
But everything was fine so why be pissy
But when you wasn't seeing me nights you get it in
That's when the snooping and shit, it would begin
Where you at?
Where you going?
That's what I get when I pick up the phone
Not a hello or I miss you
Or the renaissance, how does it do?
Suspicious ones, go few
Can stress out your brain
It weighs on your man
And helps your peep game, I thought it was me
But then I could seeIt was you
It's you
At the end of it all it was you
And at the end
It was you
At the end of it all it was you
And at the end
It's you
It's you
At the end of it all its you
It's you

It's you

At the end of it allI couldn't take it

But the spell of love

I couldn't shake it

Even though, I would discover

That there was somebody else

It was your lover

You gave me up

And managed to turn the tables

And all your honest words they turn to fables

The things that you would accuse me of

It seem were the things you were doing love

Get it? These things you projected

And I don't want to be affected

But when you get in love

It's never easy love

To make decisions of

You've defected

You were doing so much to try to pin me

Going through all my stuff, but it was empty

Answers, that I'm seeking

Well it seem I'm getting close

That I'm reaching

And I was thinking, I had no reason

Calling you a culprit, it was treason

And the twinkle, in your eye

It was kinda not for love

And tell me why?

We'll make amends if you admit it

We can ascend if you're committed

Your heart, is it in it?

If it goes for many days

Sweet love can decay from you
