

# She's Got a Way With Words

Blake Shelton

When you put two and two together  
You figure out it's got four letters  
I should've known that when I met her  
But she had to spell it out for me  
After all that second guessin'  
It's been a hard long history lesson  
Hell that's a class I got an F in  
But now I understand perfectly She put the her in hurt  
She put the why in try  
She put the SOB in sober  
She put the hang in hangover  
She put the x in sex  
She put the low in blow  
She put a big FU in my future  
Yeah she's got a way, she's got a way with words  
Yeah she's got a way with words Little words like I and do  
Lie and cheat and you're screwed  
Are words I thought I knew  
They've got a brand new meaning now She put the her in hurt  
She put the why in try  
She put the SOB in sober  
She put the hang in hangover  
She put the x in sex  
She put the low in blow  
She put a big FU in my future  
Yeah she's got a way, she's got a way with words  
Yeah she's got a way with words She put the her in hurt  
She put the why in try  
She put the SOB in sober  
She put the hang in hangover  
She put the x in sex  
She put the low in blow  
She put a big FU in my future  
Yeah she's got a way, she's got a way with words  
Yeah she's got a way with words  
She's got a way with words  
She's got a way with words  
She's got a way with words
