

Always Be My Baby

Brian McKnight

Yeah, yeah, mmm, mmm,mmmHow do you know when's the right time
To throw in the towel?
What do you say when it's all said and done?
Where do you go to sort out your feelings
When nothing is like it was then?There's no easy way to break somebody's heart
I couldn't keep this thing from falling apart
But it doesn't mean that I don't love you, oh no
And it doesn't mean that I won't miss you, oohEven though we're apart, save my place in your heart
For me, you'll always be my baby, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, mmmHow do I look into your eyes and tell you it's over?
What do I do to break down and start to cry?
Do I sell out and save the Oakley shades
That it's not you, that it's me, girl
What do I tell you if you ask me why? 'Cause there's no'Cause there's no easy way to break somebody's heart
(There's no easy way)
I need to tell you but I don't have the heart, yeah
But it doesn't mean that I don't love you
(Doesn't mean that I don't love you no more)
And it doesn't mean that I won't miss you
(I won't miss you, baby)Even though we're apart, save my place in your heart
For me, you'll always be my babyI know it's hard right now but one day you'll see
That you'll find someone who'll love you like you need to be
And it's okay if you forget about me
Wherever you are in this world, you'll always be my girl, girlBut it doesn't mean that I don't love you, oh, yeah
And it doesn't mean that I won't miss you
(I don't miss you, baby, baby)
Even though we're apart, save my place in your heart
For me, you'll always be my babyAnd it doesn't mean that I don't love you, no more, baby
And it doesn't mean that I won't miss you
Even though we're apart, save my place in your heart
For me, you'll always be my baby
