In my life, a lot of haters talking shit

And I might, expose you hoes you out this bitch

And I ride, with the nine I won't fall or slip

If I die, they still will not get off my dick

But I'll try, to survive like Destiny's Child

And I smile, 'cause they been trying to test me a while

But I cry, 'cause not all my partnas alive

But I smile, 'cause I know all my partnas with God

In my life, a lot of haters baller blocking my shine

I stay calm even though I ought to drop 'em a nine

In my life, I make cash using hoes

And my Sprite, is purple so I'm moving slow

On my side, my dogs moving rocks and hay

And I slide, by how I'm chopping blades

When I drive, I got a big cup of syrup

When I glide, I ride with a couple birds

In my life, I feel like I stand alone

But you still wouldn't leave out of San Anton'

When I die, don't cry get high for me

So you can feel like you flying in the sky with me

Y'all don't know a thing about my life

(My life)

My life

(My life)

Y'all don't know a thing about my life

(My life)

My life

(My life)

Y'all don't know a thing about my life

(My life)

In my life I went from a straw hat to a crown  
I been through a few up's and a whole lot of downs  
I take the good with the bad, however the ball bounce  
And lately I've been walking on dangerous ground  
It feels like my own partnas don't want me around  
'Cause everybody in my crew be trying to argue me down  
They telling me I changed and I'm not the same  
But for the past three years I've been saying the same thang  
I've done a lot of dirt but I don't brag about it  
And since I don't rap about it, you don't know jack about it  
People see me being friendly and they think they know me  
But just 'cause I shake your hand, don't mean you my homie  
I got a personality complex, man I'm so complex  
But if you come with plex this ain't fun plex  
I'm walking straight but my mind's in a maze  
The only thing that I'm afraid of is being afraid  
I done stared death in the face, I ain't budge one inch  
He here beating up myself and I still don't flinch  
Somebody pinch me I hope I'm dreaming  
I'm searching inside my heart trying to find the meaning of my life  
Y'all don't know a thing about my life  
(My life)  
My life  
(My life)  
Y'all don't know a thing about my life  
(My life)  
My life  
(My life)  
Y'all don't know a thing about my life  
(My life)  
My life  
(My life)

Y'all don't know a thing, about my life  
(My life)  
My life  
(My life)  
Y'all don't know shit about my life  
It ain't all about the hoes, gold and ice  
I go from down to up, up to down  
In a blink of an eye, smiles turn to frowns  
Kings get crowned, the rich get rich  
Where everybody live screaming life is a bitch  
I ball in the mix and keep to myself  
I don't just wanna be another book on the shelf  
A lot of y'all fakers, faking the game  
I'm one of the real niggaz that's bringing the pain  
I've seen hard times, so I spit hard rhymes  
I've been around different people of all kinds  
And to this day I got a few riddle friends  
Too many of y'all that's so fake and pretend  
To be what you not that's why you get got  
Don't fuck with my life that's all that I got  
My life, my life, my life, my life is all I got  
Fuck with  
My life, my life, my life, my life and you will get dropped  
Y'all don't know shit about my life  
(My life)  
My life  
(My life)  
Y'all don't know shit about my life  
(My life)  
My life  
(My life)  
Y'all don't know shit about my life  
(My life)  
My life  
(My life)  
Y'all don't know shit about my life  
(My life)  
My life
