

# Slide Along Side

## Shifty

One love one shot  
It's all we ever got  
Girl you got me started  
Now I'm not gonna stop  
Now slide along side yeah baby that's right  
I'm gonna show you the time of your life  
Oh girly girly come and dance with me  
Move that naughty body come close to me  
Now slide along side yeah baby that's right  
I'm gonna show you the time of your life  
This is it love  
It's what dreams are made of  
But its still up to us to feel the rush  
To pursue all the things only Gods can touch  
I wanna meet the odds with royal flush  
To fall  
I gave my all  
But it wasn't enough  
I'm never giving up I found life  
So I've gotta live it up  
And life is too short for war  
What can I say to show theres more  
With people slammin doors in my face and what for  
That aint the way to gain plays  
By making the same mistake day after day  
I gotta slide man get away the smile on my face its a sunny day girls and drinks and more drinks  
Come to think  
For such a big place its a small world  
For such a rat race i still got faith  
And anything goes still I got to say life has its ups and downs but I love it anyway  
One love one shot  
It's all we ever got  
Girl you got me started  
Now I'm not gonna stop  
Now slide along side yeah baby that's right  
I'm gonna show you the time of your life  
Oh girly girly come and dance with me  
Move that naughty body come close to me  
Now slide along side yeah baby that's right

I'm gonna show you the time of your life  
Hey pretty girl pretty girl its on  
We gonna dance like boogie come on  
Do it all night long

Let it go ain't no holding back now  
Gotta slide pretty baby that's right  
There's nothing I can't do with you by my side  
There's nowhere we can go that we wouldn't show 'em up  
I gotta have a type for destruction  
Livin life that's right  
She's daddy's little angel but she wasn't last night  
Now these are the breaks yeah baby that's right  
Now I got you, yeah I got you baby  
I want your body and you drive me crazy  
It's hard to resist such a sexy lady  
Come with me you'll have the time of your life  
You want to set the mood I guess the timing is right  
And it takes two to make a thing go right  
But what's it gonna take to take you home tonight

One love one shot  
It's all we ever got  
Girl you got me started  
Now I'm not gonna stop  
Now slide along side yeah baby that's right  
I'm gonna show you the time of your life  
Oh girly girly come and dance with me  
Move that naughty body come close to me  
Now slide along side yeah baby that's right  
I'm gonna show you the time of your life  
You're gonna shine like a sunny day  
All you girls comin out and play
