Baltimore

Tennis

We can take it, we can make it.
These streets can't be tougher than sea.
Baltimore, you're potholes bore me.
Can't you see you're acting poorly?Oooh oohh oohh ohh (x2)Can we get a job, can we get a job?
We need off this dock.
Is that asking alot? (x2)Now I've seen it all before, when no one's opened up their door.
How is one meant to survive when one is over-qualified?Ooh ooh, ooh ooh.
Ooh ooh, ooh ooh.
Oooh ooh, ooh ooh.
Oooh, oooh..
