Forget About It

Alison Krauss & Union Station

Forget about it
I'm admittin' I was wrong
And I'll just take what's mine
And walk right out the doorForget about it
I'll split and I'll be gone
And you'll have memories
You'll find hard to ignore'Cause after all
I'll see you sometime maybe
When I can't recall
How you drove me crazy
Forget about it
When forever's over
I won't remember how much
I loved you anymoreForget about it
Put me out of your head
Now that you're free and easy
Out there on the town
Forget about it
When you're lying in bed
Just wishing I was there to lay you down'Cause after all
I'll see you sometime maybe
When you will recall
How I drove you crazier
Forget about those stars in your eyes
Laying by the fireside
Holding you tight
I can't remember when I felt so right
So just forget about itForget about it
When you see me on the street
Don't wink, don't wave
Don't try to tease me with your smile
Forget about it
If we chance to meet somewhere
Don't think it's 'cause I'm trying to reconcile'Cause after all
I'll see you sometime maybe
When I can't recall how you drove me crazier
Forget about those stars in your eyes
Laying by the fireside
Holding you tight

I can't remember when I felt so right
So just forget about it
