

Breaking Your Heart

[Cheyenne Kimball](#)

Ooh, yeah, oh
You would be everything that I want
If I wanted it but I don't
And I won't be changing my mind
Try to convince me if you can
But you better understand
That I've heard all those little boy lines
If I had time to waste, hey, hey, hey
I could play along, sing you my song
And tell you what you wanna hear
I could dance all night, make you feel alright
Whisper something in your ear
I could lead you on and on and on
But baby, I won't even start
'Cause I ain't got the time, ain't got the time
Time to be breaking your heart, no, no
I've never been out of this town
I wanna walk all on different ground
I don't care where but I wanna go now
And I have all of these crazy dreams
So don't take it personally
When I won't do what you want

If I had time to waste, hey, hey, hey
I could play along, sing you my song
And ell you what you wanna hear
I could dance all night, make you feel alright
Whisper something in your ear
I could lead you on and on and on
But baby, I won't even start
'Cause I ain't got the time, ain't got the time
Time to be breaking your heart, no, no, no, oh yeah
And I've waited all of my life
To finally say this right
I could play along, sing you my song
And tell you what you wanna hear
I could dance all night, make you feel alright
Whisper something in your ears, yeah
I could lead you on and on and on

But baby, I won't even start
'Cause I ain't got the time, ain't got the time
No time to be breaking your heart
Time to be breaking your heart
Time to be breaking your heart
Time to be breaking your heart, no, no, no
