

# Hollow (Widelife Radio Edit)

**Tori Kelly**

I don't wanna be the last man standing  
I don't wanna be the lonely one  
Picking petals when the party's over  
No, it's not any fun 'Cause I'm fragile  
And you know this So hold me  
Wrap me in love, fill up my cup  
Empty and only your love can fill up my cup  
'Cause I'm hollow  
Yeah, I'm hollow, oh oh oh  
'Cause I'm hollow  
Yeah, I'm hollow, oh oh oh I don't wanna be the first one folding  
I don't wanna be the joker heart  
Tell me, darling, will you understand me?  
And not show me your cards? 'Cause I'm paper-thin  
And you, you make me whole again So hold me  
Wrap me in love, fill up my cup  
Empty and only your love can fill up my cup  
'Cause I'm hollow  
Yeah, I'm hollow, oh oh oh  
'Cause I'm hollow  
Yeah, I'm hollow, oh oh oh Look, I know you've been up at night  
Trying sleep with one eye open  
Crying out enough tears you could fill up the Atlantic Ocean  
Don't front being home alone we learn this from Macaulay Culking  
So I'm just waiting on you  
I've been calling, pick me up, I know you need to pick me up  
I need you to grip me up, you my baby girl no sippy cup, cup  
Half empty or half full, I mean neither way just come and fill me up  
Let's take it back to the old days, head down town and light the city up  
On the late night, just pick a date and its date night  
Karaoke, no stage fright, girl you were made for the stage light  
'Cause you got that phenomenal, most honorable, got me falling, domino  
Take you home to mama though, you know Hollow  
Yeah, I'm hollow, oh oh oh  
'Cause I'm hollow  
Yeah, I'm hollow, oh oh oh  
'Cause I'm hollow (yeah)  
Yeah, I'm hollow, oh oh oh (oh yeah)  
'Cause I'm hollow (I'm hollow)

Yeah, I'm hollow, oh oh oh
