Knight Moves

Suzanne Vega

Watch while the queen
In one false move
Turns herself into a pawn
Sleepy and shaken
And watching while the blurry night
Turns into a very clear dawnDo you love any, do you love none
Do you love many, can you love one
Do you love me?
Do you love any, do you love none
Do you love twenty, can you love one
Do you love me?One false move
And a secret prophecy
Well, if you hold it against her
First hold it up and see
That it's one side stone one side fire
Standing alone among all men's desire
They want to knowDo you love any, do you love none
Do you love many, can you love one
Do you love me?
Do you love any, do you love none
Do you love twenty, can you love one
Do you love me?And if you wonder what I am doing
As I am heading for the sink
I am spitting out all the bitterness
Along with half of my last drinkI am thinking of your woman
Who is crying in the hall
It's like drinking gasoline
To quench a thirst
Until there's nothing there left at allDo you love any, do you love none
Do you love many, can you love one
Do you love me?
Do you love any, do you love none
Do you love twenty, can you love one
Do you love me?And walk on the blind side?
Was the answer to the joke
It's said there isn't a political bone
In her body
Well she would rather be a riddle
But she keeps challenging the future

With a profound lack of historyDo you love any, do you love none
Do you love many, can you love one
Do you love me?
Do you love any, do you love none
Do you love twenty, can you love one
Do you love me?Watch while the queen
In one false move
Turns herself into a pawn
Sleepy and shaken
And watching while the blurry night
Turns into a very clear dawnDo you love me?
Do you love me?
Do you love me?
