

# I Don't Want to Be Alone

Michael Grimm

It's all I know but please believe me  
you treat me like my heart is made of stone  
I don't think you even see me oh I feel like I'm a ghost in my own home  
oh I don't want to be alone, I don't want to live with out you  
I don't want to be alone  
so tell me what can I do please don't tell me that you're gone babe  
let me know if there is something I can do  
I love you more than you know babe  
I want to spend my whole life next to you oh I don't want to be alone, I don't want to live with out you  
I don't want to be alone  
so tell me what in the world can I do we've been through thick and thin and our shares of ins and outs  
tell me if I'm wrong baby but isn't that what love is all about  
baby please don't leave me right now, I will find a way to make you stay somehow  
and I keep begging you baby, please I don't want to be alone  
- I don't  
I don't want to be alone  
-I don't  
I don't want to live without you  
- I don't want to be  
I don't want to be alone  
-I don't  
So tell what in the world can I do  
I just want to be with you girl  
-be my love  
I don't want to be alone  
-I don't  
please don't leave  
I don't want to be alone no  
-I don't want to be alone  
don't you leave me like this  
-I don't want to be alone  
oh don't you leave me like this  
-I don't  
hang in there please  
I don't want to be alone
