

# Too Much Too Soon

## Green Day

She's always living like she's running out of time  
Too much just ain't enough to keep her satisfied  
Her plastic card is filled with nothing comes to mind  
It's now her occupation that she's overqualified The looks are always so deceiving  
The truth is always misconstrued to you Too much too soon  
Too little and now you're coming unglued  
Too much too soon  
Too late and now it sucks to be you Too much too soon  
Too little and now you're coming unglued  
Too much too soon  
Too late and now it sucks to be you too He's talking shit about how it's better way back when  
He lives every waking moment as means to an end  
We are we are but I'm not, I never used to be  
So God bless your fucking past and to hell with your glory The looks are always so deceiving  
The truth is always misconstrued to you Too much too soon  
Too little and now you're coming unglued  
Too much too soon  
Too late and now it sucks to be you Too much too soon  
Too little and now you're coming unglued  
Too much too soon  
Too late and now it sucks to be you too Too bad, too sad this is goodbye and Bon Voyage  
Farewell, see you in Hell I hope you rest in pieces  
Fuck you Oh, oh oh oh  
Oh, oh oh oh  
Oh, oh oh oh Too much too soon  
Too little and now you're coming unglued  
Too much too soon  
Too late and now it sucks to be you Too much too soon  
Too little and now you're coming unglued  
Too much too soon  
Too late and now it sucks to be you too Oh, oh oh oh
