

# The Turning Tide

## Super Furry Animals

It just occurred to me  
The things aren't as they seem  
It's conspiracy And we're living  
In a world of quicksand  
Castles on their keep  
Still waiting under siege  
For the turning tide up Need some inspiration  
Time to hitch a ride  
On the turning tide The service was so slow  
My eyes began to grow  
Into telescopes That are looking  
At a world of quicksand  
Castles on their keep  
Still waiting under siege  
For the turning tide up Need some inspiration  
Time to hitch a ride  
On the turning tide And we're living  
In a world of quicksand  
Castles on their keep  
Still waiting under siege  
For the turning tide up Need some inspiration  
With no obligation  
'Coz there's quicksand  
Sucking up the goodness Graciously, impatiently  
Is that the time out?  
Need recuperation  
Time to hitch a ride  
On the turning tide To the turning tide  
To the turning tide  
To the turning tide  
...
