Delete, Rewind

Architects

We are the misguided youth.
They backed us into a corner.
All our lives we've been infected,
They should have never of had a chance.Because they're forcing us to believe,
In a world we shouldn't trust.
Delete rewind,
And try to change this state of mind.Give us something to believe in,
Give us something to make our own,
Give us something to believe in,
Give us something to make our own.When we will we stand up and choose our paths?This is the end of the world,
At least that's what we're told.
This is the end of the world,
Board up your windows and lock the doors.Turn out the lights, turn out the lights,
Oh, this is getting old.We are the misguided youth,
We sat back and lost our voices.Delete rewind,
Try to change this state of mind,
Delete rewind,
And try to change this...Because they're pushing us to the left,
In a world we shouldn't trust.
Delete rewind,
And try to change this state of mind.I don't believe you knew it all, you knew it all along.
Delete rewind, delete rewind.When will we stand up,
We've been through enough.
When will we stand up,
How'd we let them get the best of us?When will we stand up,
We've been through enough.
When will we stand up,
How'd we let them take the best of us?
