

Far, Far Away

King's X

Inside it's lonely, I drive my car
Pass by the signs that speak our past
Always remind me, can't block it outThe story we all knew would last
She was lost yesterday
Far, far awayFamiliar faces annually haunt me
The cold brings seasons of the heart
Always reminded, can't block it outNo one could see it from the start
She was lost yesterday
Far, far away
