The Last

Breaking Pangaea

There is something greater,
there is something worse and it is so real.
I woke up from a dream.
I know I'm in the right place.
Why are you not here? Why?
All my life, I wondered where you were.
Still hold on to that chance you gave me.
Didn't know it'd be the last.
Cause there is something greater,
there is something worse and it is so real.
Say it's not a dream, though it's not the right place.
You should still be here.
All my life, I wondered where you were.
Still hold on to that chance you gave me.
Didn't know it'd be the last.
Take apart the words.
Still with me tonight, still believe today.
I was the one.
Take apart the words.
Still with me tonight, still believe today.
Though we can't lie to ourselves, we can pretend.
Though I pray you won't forget, there's no way....
there's no way..... there's no way .... no way!!!
All my life, I wondered where you were.
Still hold on, still hold on ....
Didn't know it'd be the last.
Didn't know it'd be the last.
Didn't know it'd be the last.
