

Whole Lotta Loving

Fats Domino

I got a whole lot of loving for you
True, true love for you
I got a whole lot of loving for you I got a whole lot of (kiss-kiss) for you
Whole lot of (kiss-kiss) for you
I got a whole lot of kisses for you I got a whole lot of (clap-clap) to do
A whole lot of (clap-clap) to do
And I'm so glad to see you I got a whole lot of loving for you
True, true love for you
I got a whole lot of loving for you I got a whole lot of (kiss-kiss) for you
A whole lot of (kiss-kiss) for you
I got a whole lot of kisses for you I got a whole lot of (clap-clap) to do
I got a whole lot of (clap-clap) to do
'Cause I'm so glad to see you
