

Radical Businessman

Japanther

(Cop, talking)
Where'd you get that belt buckle?
(Vocalist, talking)
Friend gave it to me.

I was proud of my spotless record
Yeah, screamin like a good boy singin songs
Free shake out
I?m a bad motherf**ker
Gold gleamin so they come back
Like a like a bad man of 72
Now walk it out

What do we want? F**k the cops
1 2 3 4, F**k the cops
1 2 3 4, F**k the cops
Let?s get one more, f**k the cops

Prison, jail break
Freedom?s gone replace it with
Life lessons tools tips
Brothers build relationships

Prison, jail break
Freedom?s gone replace it with
Life lessons tools tips
Brothers build relationships

What do we want? F**k the cops
1 2 3 4, F**k the cops
1 2 3 4, F**k the cops
Let?s get one more, f**k the cops

Prison, jail break
Freedom?s gone replace it with
Life lessons tools tips
Brothers build relationships

Offer money miss? my trip
Why should we should save this shit

Prison, jail break
Prison, jail break
