

## Amongst the Waves (Spontaneous)

# Freedom Church

And out here I'll find You  
 Amongst the waves I'll find You  
 Out here I will find You  
 Amongst the waves I'll find You  
 And out here  
 out here I will find you  
 Amongst the waves I'll find You  
 Oh I'll find You  
 Oh  
 And out here I will find You  
 Amongst the waves I'll find YouAnd out here I will find You  
 Amongst the waves I'll find You  
 My Lord  
 And out here I will find You  
 Amongst the waves I'll find You  
 My Lord  
 And if its You  
 would You just call me out  
 would You just call me out  
 I'll come to You  
 And if its You  
 Would You just call me out  
 Would You just call me outAnd I will come to You  
 You set my feet on solid ground  
 You hold my heart within Your hand  
 You hold my dreams within Your heart  
 You never let me go  
 You never let me go  
 You never let me go  
 You never let me go  
 You never let me go  
 You never let me go  
 You never let me go  
 You never let me go  
 You never let me go  
 You never let me goOut here  
 I will find You  
 Amongst these waves I'll find You
