

# Diamond In the Rough

## Airbourne

I had a dollar in my pocket  
And dirt on my hands  
She was a rich man's daughter  
Who didn't give a damn She had all the boys talkin'  
With her fancy cat walkin'  
But it was me who took her home  
And gave her bed a good rockin', oh yeah 'Cause at the end of the day  
Honey, when it's all said and done  
I can't get enough of that diamond in the rough  
I can't get enough of your diamond in the rough Early next morning  
I woke naked and beat  
And as the sun was rising  
She was lookin' like a treat I stuck my finger in the honey  
Threw my dollar in the well  
And when I made my wish  
You know it was clear as a bell That at the end of the day  
Honey, when it's all said and done  
I can't get enough of that diamond in the rough  
I can't get enough of your diamond in the rough I can't get enough of that diamond in the rough  
I can't get enough of that diamond in the rough  
I can't get enough of that diamond in the rough  
I can't get enough of your diamond in the rough
