

# I'm Fucked

## Nobodys

Get up early, go to work.  
Get yelled at by a jerk.  
He ain't smarter than me, but even he can see.I'm fucked.  
I'm fucked.  
I'm fucked.  
I'm fucked.Ain't gotta girlfriend.  
I know why, cause i wouldn't treat her right.  
Wouldn't call her every night.  
Wouldn't feel bad if she cried.I'm fucked.  
I'm fucked.  
I'm fucked.  
I'm fucked.Sick of my shitty job.  
I just wanna be a slob.  
Wanna live off the state.  
Stay at home and masturbate.I'm fucked.  
I'm fucked.  
I'm fucked.  
I'm fucked.
