

# The Hunted

Leni Ward

Moving south she is here  
Circling round she is here  
She is the hunter, oh ha, you are the hunted  
She is the hunter, oh oh, you are the hunted  
You are the hunted Catching men in her net  
A bird of prey, collecting specimens  
She is the hunter, ah ha, you are the hunted  
She is the hunter, oh oh, you are the hunted  
You are the hunted  
You are the hunted  
You are the hunted Moving in for the kill  
Thin as sin, she is here  
She is the hunter, oh oh, she is the hunter  
Ah oh, ah ah You are the hunted
