

Knowledge

Operation Ivy

I know that things are getting tougher
When you can't get the top off the bottom of the barrel
Wide open road of my future now
It's looking fucking narrow
All I know is that I don't know
All I know is that I don't know nothin
All I know is that I don't know
All I know is that I don't know nothin We get told to decide
Just like as if I'm not gonna change my
mind
All I know is that I don't know
All I know is that I don't know nothin
All I know is that I don't know
All I know is that I don't know nothin Whatcha gonna do with yourself
Boy better make up your mind
Whatcha gonna do with yourself boy
You're running out of time This time I got it all figured out All I know is that I don't know
All I know is that I don't know nothin
All I know is that I don't know
All I know is that I don't know nothin
All I know is that I don't know
All I know is that I don't know nothin
All I know is that I don't know
All I know is that I don't know nothin And that's fine
