Stone
StoneFeeling so high as I lose my mind
 Fearlessly clear in the mess I find
 Hear myself talking, what's it all about?
Sense my reflection and it's all too loudHeavy like stone
 Heavy like stone
 I'm feeling easy
 Heavy like stoneHeavy like stone
 Heavy like stone
 I'm going nowhere
'Cause I'm heavy like stoneLight is exploding, a diva sings
 Breaking to start up a million things
 Looking in spaces where I never go
Surfaces melting, fading down to slowHeavy like stone
 Heavy like stone
 I'm feeling easy
 I'm heavy like stoneHeavy like stone
 Heavy like stone
 I'm going nowhere
'Cause I'm heavy like stoneMaybe I'm laughing
 Maybe I'm crying
 There's no use in trying
To find my way home'Cause I'm heavy like stone
 Heavy like stone
 Feeling easy
 Heavy like stoneHeavy like stone
 Heavy like stone
 I'm going nowhere
'Cause I'm heavy like stoneEasy
 Heavy like stone
 I'm going nowhere, no
'Cause I'm heavy like stoneStone
 StoneFeeling easy
 Stone
 Going nowhere
 StoneFeeling easy
 Feeling stone
 Going nowhere
