## **C** Moon

## **Paul McCartney**

See moon, see moon, see moon is she
See moon, see moon to meHow come no one older than me
Ever seems to understand the things I want to do
It will be a seven and I'd never get to heaven
If I filled my head with glue

What's it all to youSee moon, see moon, see moon is she See moon, see moon, see moon to meBobby lived with Patty

But they never told her daddy
What their love was all about
She could tell her lover that he thought
But she never was the type to let it out

What's it all aboutSee moon, see moon, oh see moon are we See moon, see moon, see moon are weHow come no one older than me

Ever seems to understand the things I want to do
It will be a seven and I'd never get to heaven
If I filled my head with glue

What's it all to youSee moon, see moon, see moon is she See moon, see moon, see moon to meBobby lived with Patty

But they never told her daddy
What their love was all about
She could tell her lover that he thought
But she never wanted to let it out

What's it all aboutSee moon, see moon are we See moon, see moon, see moon, see moon, see moon are we Well what's it all aboutSee moon, see moon, see moon are we See moon are we
