

Hands (feat. Various Artists)

Britney Spears

I'm not ashamed of the things that I dream
I find myself flirting with the verge of obscene
 Into the unknown, I will be bold
I'm going to places I can be out of control And I don't want to explain tonight
 All the things I've tried to hide
 I shut myself out from the world so I
 Can draw the blinds and I'll teach myself to fly I love myself
 It's not a sin
 I can't control what's happenin' 'Cause I just discovered
 Imagination's taking over
 Another day without a lover
 The more I come to understand
The touch of my hand From the small of my back and the arch of my feet
 Lately I've been noticin' the beautiful me
 I'm all in my skin and I'm not gonna wait
I'm into myself in the most precious way And I don't want to explain tonight
 All the things I've tried to hide
 I shut myself out from the world so I
 Can draw the blinds and I'll teach myself to fly 'Cause I just discovered
 Imagination's taking over
 Another day without a lover
 The more I come to understand
The touch of my hand There's a world undefined
 And my body is mine
 I won't be left behind
I'm already here 'Cause I just discovered
 Imagination's taking over
 Another day without a lover
 The more I come to understand
The touch of my hand 'Cause I just discovered
 Imagination's taking over
 Another day without a lover
 The more I come to understand
 The touch of my hand
