

# Big Mama's Door

## The Beautiful Girls

Big Mama's Door  
Goin' down in Chickasaw, gon' take that right hand road  
Goin' down in Chickasaw, gon' take that right hand road  
Bet I ain't gon' stop till I come up in big mama's door  
Folks down in Chickasaw they all know my name  
Folks down in Chickasaw they all know my name  
And when I'm down there, man, sure be glad I came  
Girl that I'm lovin' got the great long curly hair  
Girl that I'm lovin' got the great long curly hair  
But her mama and papa, man, they sure don't 'low me there  
What you gonna do when you find your  
biscuit roller  
gone?  
What you gonna do when you find your biscuit roller gone? (Man, what about it?)  
Get in that kitchen, man, and roll 'em till she come home  
Get up in the mood, man, we sure had lots of fun  
Get up in the mood, man, we sure had lots of fun  
When I come round that corner, gonna see my pony run  
Goin' down in Chickasaw, gon' take that right hand road  
Goin' down in Chickasaw, gon' take that right hand road. (Goin' back to the wood!)  
Bet I ain't gon' stop till I come up in big mama's door
