

Secret Smile (Album Version)

[Semisonic](#)

Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me
So use it and prove it
Remove this whirling sadness
I'm losing I'm bluesing
But you can't save me from madness Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me So save me I'm waiting
I'm needing, hear me pleading
And soothe me, improve me
I'm grieving, I'm barely believing it now, now When you are flying around and around the world
And I'm lying a lonely
I know there's something sacred and free reserved
And received by me only
