This Love

Pantera

If ever words were spoken, painful and untrue

I said, "I loved but I lied"

In my life all I wanted

Was the keeping of someone like you

As it turns out, deeper within me

Love was twisted and pointed at youNever ending pain, quickly ending lifeYou keep this love, thing, love,

child, love, toy

You keep this love, fist, love, scar, love, break

You keep this love, love, love

Love, love, love

You keep this loveI'd been the tempting one, stole her from herself

This gift in pain, her pain was life

And sometimes I feel so sorry

I regret this the hurting of you

But you make me so unhappy

I'd take my life and leave love with youI'd kill myself for you, I'd kill you for myselfYou keep this love, thing,

love, child, love, toy

You keep this love, fist, love, scar, love, break

You keep this love, love, love

Love, love, love

You keep this loveNo more head tripsYou keep this love, thing, love, child, love, toy

You keep this love, fist, love, scar, love, break

You keep this love, love, love

Love, love, love

You keep this love You keep this love

You keep this love

You keep this love

You keep this love
