Brother, What Happened?

Muddy Magnolias

Brother, what's going on? When did things start going wrong?
Can't pretend we don't see where we are
You told me things were gonna' change, But you just wanna' get your way
Don't you know you're breaking my heart?What happened to this world? We just don't know anymore
What happened to this world? We just don't love anymoreTime to check in with my ego. Just tryna' live and let it go
But that's easier said and done, I tell you now
Baby put your phone down, Won't you look me in my eyes now
It's been a while since I've seen you smile
What happened to this world? We just don't know anymore
What happened to this world? We just don't love anymoreSo give me that love, Give me that peace now
Give me that trust, Give me that lovin' child
Show me that hope, Show me that joy now
Show me that love Show me that lovin' childMy mama told me don't throw hate around because there's room for us all in this world
We got each other my sisters and brothers
So take your love and spread it all aroundWhat happened to this world? We just don't know anymore
What happened to this world?
We just don't love anymore
What happened to this world? We just don't know anymore
What happened to this world? We just don't love anymore
Who gon' do it, if we don't do it?
Who gon' do it, if we don't do it?
Who gon' do it, if we don't do it?
Who gon' do it, if we don't do it?
