Green Aphrodisiac

Corinne Bailey Rae

Laying in the grass in the afternoon
Something kind of magical in sunlight
Flowers uncurl in the garden
Ships are coming up again; it's springtimeIt's new like the day I saw your eyes
Green like the leaves, I'm falling in love again
It's a blue sky
Blossom leaf falls in a slow dance
Swaying got me in a trance; so high
Yes, I'll wait on you and I want to spend it with youLost in your wonderland
Green aphrodisiac
Kiss me, your lips taste
Songbirds and bees start a-hummin'
Come to my wonderland
Green aphrodisiac
The same thing that grows in the bottle
Flows in me, oohI want to go where all the rainbows start and goJust when I thought it was not to be
Holiest of mysteries; it's all green
And everything that I have planted is grown
And all I need is time, earth, water, and the sunlightLost in your wonderland
Green aphrodisiac
Kiss me, your lips taste
Songbirds and bees start a-hummin'
Come to my wonderland
Green aphrodisiac
The same thing that grows in the bottle
Flows in me, oohI want to go where all the rainbows start and go
How could I know where the sun is?
How could I know you would take over my mind?
I want to love where the flies all go
Cause I know that
The sand it grows in the dark all year roundYou (na na na na na)
Ooh (na na na na na)
Ooh, aah-aah (na na na na na)
Oh, oh, oh, oh (na na na na na)(Na na na na na)
(Na na na na na)
(Ah, ah, ah, ah)
(Na na na na na)
(Na na na na na)
