Sunshine

JP

See the thought of me without you
It's like having no heart
Girl if you only knew
I can't bare to be apartYou made me a better man
You changed my life for good
Everyday the love gets stronger, the way that it shouldCos you got me, and I got you
That's all we need to make it through
I'll do what it takes to make you stay
You'll always take my breath awayI'll be your everything girl, make you feel like you're on top of the world
I'll hold you close and I'll never let go
Cos you're the best damn girl that I've ever known
I'll keep you warm on the coldest days
I'll never make you feel like you're in the rain
And when it gets dark, I'll be the light in your lifeI'll be your sunshine
I'll be your sunshine
I'll be your sunshine
I'll be your sunshineI'm sorry for the times that I wasn't there, to hold you
It doesn't mean that I didn't care
Cos we can have a house on the hills
And i can write you love songs everyday
Cos you don't have to worry about a thing
Cos baby we'll be OK...Cos you got me, and I got you
That's all we need to make it through
I'll do what it takes to make you stay
You'll always take my breath awayI'll be your everything girl, make you feel like you're on top of the world
I'll hold you close and I'll never let go
Cos you're the best damn girl that I've ever known
I'll keep you warm on the coldest days
I'll never make you feel like you're in the rain
And when it gets dark, I'll be the light in your lifeI'll be your sunshine
I'll be your sunshine
I'll be your sunshine
I'll be your sunshineOur love can make it through the stormiest weathers
All you gotta do is have faith and...Hold on...I'll be your everything girl, make you feel like you're on top of the world
I'll hold you close and I'll never let go
Cos you're the best damn girl that I've ever known
I'll keep you warm on the coldest days
I'll never make you feel like you're in the rain

And when it gets dark, I'll be the light in your lifeI'll be the light in your life...I'll be your everything girl, make you feel like you're on top of the world
I'll hold you close and I'll never let go
Cos you're the best damn girl that I've ever known
I'll keep you warm on the coldest days
I'll never make you feel like you're in the rain
And when it gets dark, I'll be the light in your lifeI'll be your sunshine
I'll be your sunshine
I'll be your sunshine
I'll be your sunshine
