

What Becomes of the Broken Hearted

Westlife

As I walk this land of broken dreams
I have visions of many things
But happiness is just an illusion
Filled with sadness and confusion What becomes of the broken hearted
Who had love that's now departed?
I know I've got to find
Some kind of piece of mind, maybe If roots of love grow all around
But for me they come tumblin' down
Every day heartaches grow a little stronger
I can't stand this pain much longer I walk in shadows searching for light
Cold and alone, no comfort in sight
Hopin' and prayin' for someone to care
Always movin' and goin' nowhere What becomes of the broken hearted
Who had love that's now departed?
I know I've got to find
Some kind of piece of mind
[Incomprehensible] help me please I'm searchin' though I don't succeed
But someones love there's a growin' need
All is lost there's no place for beginning
All that's left is an unhappy ending What becomes of the broken hearted
Who had love that's now departed?
I know I've got to find
Some kind of piece of mind
I'll be searchin' everywhere
Just to find someone to care What becomes of the broken hearted
Who had love that's now departed?
I'll be searchin' everywhere
Just to find someone to care
Help, oh, help me please What becomes of the broken hearted
Who had love that's now departed?
I'll be searchin' everywhere
Just to find someone to care
