

# Can't Help But Wait (lil Wayne Remix)

## Trey Songz

I can't help but wait, oh uh  
Can't help but wait  
Check it out, uh  
I see you, you with him  
He ain't right but you don't trip  
You stand by while he lies  
Then turn right round and forgive  
I can't take to see your face  
With those tears runnin' down your cheeks  
But what can I do, I gotta stay true  
Because deep down I'm still a G  
And I don't want to come between you and your man  
Even though I know I treat you better than he can  
Girl I can't help but wait  
Till you get that with him it don't change  
Can't help but wait  
Till you see that with me it ain't the same  
Can't help but wait  
Till you see you for what you really are  
Baby girl you are a star  
And I can't help but wait  
Listen, it ain't fresh  
To just let him call the shots  
You're a queen, you should be  
Gettin' all that someone's got  
You should be rockin' the latest in purses  
Bracelets and watches you're worth  
Much more than an occasional  
'I love you, I'm thinking of you'  
And I don't wanna come between you and your man, no  
Even though I know I treat you better than he can  
Girl I can't help but wait  
Till you get that with him it don't change  
Can't help but wait  
  
Till you see that with me it ain't the same  
Can't help but wait  
Till you see you for what you really are  
Baby girl you are a star

And I can?t help but wait  
Get it together  
You can do better  
See is believin'  
And I see what you need so  
I?m going to play my position  
Let you catch what you?ve been missing  
I?m calling out, girl cuz  
I can?t help but wait  
Till you get that with him it don?t change  
Can?t help but wait  
Till you see that with me it ain?t the same  
Can?t help but wait  
Till you see you for what you really are  
Baby girl you are a star  
And I can?t help but wait  
Till you get that with him  
It don?t change  
Can?t help but wait  
Till you see that with me it ain?t the same  
Can?t help but wait  
Till you see you for what you really are  
Baby girl you are a star  
And I can?t help but wait  
Can?t help but wait babe, no no no  
I can?t help but wait  
Oh oh oh  
Can?t help wait  
No, no, no
