Turn It Up

Ashanti

This is ya' boy, Jimi Kendrix
I N C , family business
Ashanti, what up, baby? You ready to go?
Let?s go in this club and tear it up
Now, I need everybody get off ya feet
Put ya drinks down, get off the wall
And stop tryin? to be so cute, ya' heard me, come on
Here we go, come on
We?re gonna party through the night
Don?t you wanna drink and dance tonight?
Don?t try to be too cute tonight
Let the beat drop and make you feel, oh, so free
I got to find that thang
That thang to make me feel good tonight
Oh, so good tonight
I got my girls with me
We gon? tear down this thang tonight
Down this thang tonight, yeah
All my ladies lookin? hot to death
And swingin? them things right to left
And everybody in the place
Just got that look up on their face like
All I wanna do is party
Let that sweat drip off my body
So, here?s what I?ll do, I
We?re gonna party through the night
Don?t you wanna drink and dance tonight?
Don?t try to be too cute tonight
Let the beat drop and make you feel, oh, so free
I just feel like I, like I could float on up to the sky
And come back feelin? right
Now, this is somethin? I usually don?t do
But I just might get wit? you tonight, hey, hey
All my ladies lookin? hot to death
And swingin? them things right to left
And everybody in the place
Just got that look up on their face like
All I wanna do is party
Let that sweat drip off my body

So, here?s what I?ll do, I
We?re gonna party through the night
Don?t you wanna drink and dance tonight?
Don?t try to be too cute tonight
Let the beat drop and make you feel, oh, so free
Rule, just loosen up and button down ya' button ups
We done gon? in the club, let?s tear that club up
It gets just that hot in here
Cool me down prayin?, O J and Belvadir
Over the rocks, while the crowd I'd rockin?
Everybody?s rollin?
Like we live from Woodstock
Let?s all toast to the highest and utmost
The Rule and the Princess
And everybody with a two step, get up, dance
And all my gangstas that don?t dance, lean back
?Cause this is gangstafied, soon as I testify
We all wanna party through the night
Any ladies actin? cute tonight? Send ?em my way
I?ll show ?em how to loosen up, get in da' party mood
Baby, the name is Rule, R U L E, reppin? I N C
We?re gonna party through the night
Don?t you wanna drink and dance tonight?
Don?t try to be too cute tonight
Let the beat drop, and make you feel, oh, so free
Baby, baby, baby, baby, baby, baby, baby
