

# Take A Hint

## Tori Vega

Why am I always hit on by the boys I never like?  
I can always see 'em coming from the left and from the right  
I don't want to be a priss, I just try to be polite  
But it always seems to bite me in the --  
Ask me for my number, yeah you put me on the spot  
You think that we should hook-up, but I think that we should not  
You had me at hello, then you opened up your mouth  
And that is when it started going south  
Oh!  
Get your hands off my hips, or I'll punch you in the lips  
Stop your staring at my? Hey!  
Take a hint, take a hint  
No you can't buy me a drink, let me tell you what I think  
I think you could use a mint  
Take a hint, take a hint  
La, La, La...  
T-take a hint, take a hint  
La, La, La...  
I guess you still don't get it, so let's take it from the top  
You asked me what my sign is, and I told you it was Stop  
And if I only had a dime for every name that you just dropped  
You'd be here and I'd be on a yacht  
Oh!  
Get your hands off my hips, or I'll punch you in the lips  
Stop your staring at my? Hey!  
Take a hint, take a hint  
No you can't buy me a drink, let me tell you what I think  
I think you could use a mint  
Take a hint, take a hint  
La, La, La...  
T-take a hint, take a hint  
La, La, La...  
What about "no" don't you get  
So go and tell your friends  
I'm not really interested  
It's about time that you're leavin'  
I'm gonna count to three and  
Open my eyes and

You'll be gone  
One.  
Get your hands off my?  
Two.  
Or I'll punch you in the?  
Three.  
Stop your staring at my?  
Hey!  
Take a hint, take a hint  
I am not your missing link  
Let me tell you what I think  
I think you could use a mint  
Take a hint, take a hint!
