Indefinitely

Travis

Everyday in every way I'm falling
Everything that everyone says turns me on
Shine a light on me
So that everyone can see
That I wanna stay here indefinitelyTime exists just on your wrist, so don't panic
Moments last and lifetimes are lost in a day
So wind your watches down please
'Cos there is no time to lose
And I'm gonna stay here indefinitely
And I wanna stay here so just let me be
Now I can see the light circling round your reflectionAnd I'm gonna stay here indefinitely
And I'm gonna stay here so just let me be
Indefinitely, indefinitely, indefinitely
Indefinitely, indefinitely, indefinitely
