

Dance With The Devil

Breaking Benjamin

Here I stand, helpless and left for dead
Close your eyes, so many days go by
Easy to find what's wrong
Harder to find what's right I believe in you, I can show you that
I can see right through all your empty lies
I won't stay long, in this world so wrong Say goodbye, as we dance with the devil tonight
Don't you dare look at him in the eye
As we dance with the devil tonight Trembling, crawling across my skin
Feeling your cold dead eyes
Stealing the life of mine I believe in you, I can show you that
I can see right through all your empty lies
I won't last long, in this world so wrong Say goodbye, as we dance with the devil tonight
Don't you dare look at him in the eye
As we dance with the devil tonight Hold on, hold on Say goodbye, as we dance with the devil tonight
Don't you dare look at him in the eye
As we dance with the devil tonight Hold on, hold on Goodbye
