

# You Say

## Vertical Horizon

Here in the light  
It burns you up inside  
Here in the shell of a sun  
We echo on Too much listening  
Not enough living [Chorus]  
And you say  
What did I say  
What did you say  
We just  
Go away  
Go away  
Go away It helps you out  
Knowing I'm left out  
Locked in a box with a light  
That won't shine Turn it on and wait for  
Someone to come [Chorus] I'm here now  
Waiting  
Holding on to reasons  
Wasted  
I faced it  
Watching you deny me Here in the light  
It burns you out sometimes  
Here in the shell of a sun  
We echo on Left alone forever  
All alone together [Chorus]
