Way Down Here Without You

Superdrag

I've got a reason to be sad
And I've got a reason to feel like I've been had
But I would give most anything
To see you smile at me againI don't know
(Since you've gone)
I don't know
(Since you've been gone)
What I'm supposed to do
Way down here without youI don't know
(Since you've gone)
I don't know
(Since you've been gone)
What I'm supposed to do
Way down here without youI know you won't be coming home
And it makes me feel so afraid of the unknown
But I would give most anything
To see you smile at me againI don't know
(Since you've gone)
I don't know
(Since you've been gone)
What I'm supposed to do
Way down here without youI don't know
(Since you've gone)
I don't know
(Since you've been gone)
What I'm supposed to do
Way down here without youYou still mean a lot to me, yeah
You still mean a lot to me
More than a memory to me, yeah
More than a memory to me
